

NETTALK VOICE INC.

WWW.NETTALKVOICE.COM

Unlimited Calls to 77 Countries

You have always wanted to stay in touch with your family & business associates overseas but it was too expensive to do so. **Nettalk Voice has the solution!**

Nettalk Voice is a service that allows **residential** and **small business** customers to use a standard telephone and a broadband Internet connection to make and receive phone calls at a **low monthly rate**.

So if you call friends, family or business customers in the US, UK, CANADA, EUROPE, ASIA, MIDDLE EAST or the CARIBBEAN, this is the right plan for you.

4 EASY STEPS TO GET CONNECTED

1 Plug your internet cable into the Phone Adapter

One- Time activation fee of USD \$100.00

Includes phone adaptor and first month service

2 Plug a regular phone into the phone adaptor

**PBX connectable

3 FREE US, CA or UK Phone Number

Call us for your very own international phone number. Choose from any AREA CODE.

Or choose an area code from over 50 countries.

4 Start MAKING and RECEIVING unlimited international calls
